

NB Safe Sport Complaint Mechanism (NBSSCM)

The NBSSCM Dispute Resolution Policy and Program Guidelines are used to evaluate all complaints. All information pertaining to the complaint mechanism can be found on the Sport NB website.

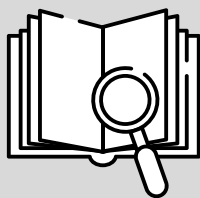

Reporting to authorities

By Law, any known or suspected abuse or neglect of a child must be reported to the local authorities.

Jurisdiction

Establishing jurisdiction is the first step! The complaint may fall under Sport NB jurisdiction or may be referred to the national, or provincial sport organization. The complaint officer will support alignment with the appropriate jurisdiction.

Reciprocity

A decision maker in a complaint resolution and/or discipline process will appropriately notify relevant stakeholders (i.e., PSO, NSO) to support the outcome.

Appeals

Appeals to decisions resulting from a discipline process may be filed through INTEGRITY COUNTS.
